

9th Annual Run for Trey

Dear Friends,

Treyton Kilar, age 6, was killed in a car crash caused by a drunk driver on September 2, 2010. Treyton loved baseball. He dreamed of becoming a professional baseball player. That dream will not come to fruition.

Our mission is not only to remember a boy whose life was taken far too soon, but also to use his memory to benefit our communities near and far. The original goal to build a youth size major league baseball field and a top-notch concession stand has become a reality. The field stands as a symbol for the importance of making good life choices. Mary Kilar, Treyton's mother, continues her efforts with speaking engagements throughout the year to educate on what destructive decisions can do.

Treyton's Field of Dreams provides a wonderful place for the youth of the area to come and enjoy baseball, just as Treyton did. This year the field is hosting 4 baseball and 6 softball tournaments drawing teams from the surrounding communities as well as the weekly youth leagues.

The proceeds from the 9th Annual Run for Trey will be used to maintain the field through its endowment and fund the 4 scholarships that are given in Treyton's name. The benefit this field provides to the youth community teams, the visiting teams from around the region, and the students who benefit from Treyton's Field of Dreams is truly amazing.

The 9th Annual Run For Trey will be held on Sunday, October 13, 2019 at 10:00 am at Starin Park in Whitewater, WI. The Run For Trey event features a 5K fun run/walk including a run through UW-Whitewater Perkins Stadium. Full concession with plenty of good food, bounce houses, Treyton Ninja Warrior obstacle course for the kids, visiting mascots, ice cream, face painting, Treyton Field of Dreams temporary tattoos, and balloons for the kids. The activities will start at 10:00 am and are open to the community.
